

Get started with ClickView

▶ Click <mark>View</mark>	
michelle.ada	

Open your web browser, go to online.clickview.com.au and log in using your existing ClickView credentials.

2 See our latest and most popular videos, and easily search for videos using the Dashboard.

View all our featured videos in one convenient location to find the perfect video for your classroom by searching via curriculum codes or learning areas.

3 Browse and search titles in Libraries.

Within Libraries, you can find the videos in categories on the left side of the page or by typing keywords into the search bar.

▶ Click View	Dashboard Libraries Exchange
> >	
E	

4 Find current, contextual TV programmes.

Find the best educational TV programmes uploaded by our community of educators in the Exchange.
